*Software Developer
and Graphic Designer*

Santa Fe, June 2024

¡Hello, I'm Román!

👨‍💻 Software Developer and Graphic Designer from Argentina, passionate about creating high-impact experiences in web development and multimedia design.

🎓 Completed a Bachelor's Degree in Visual Communication Design from the Universidad Nacional del Litoral, complemented by specializations in web development and programming, I'm currently pursuing a Higher Technician in Software Development to further enhance my skills in designing, building, verifying, debugging, optimizing, and maintaining software.

🚀 Ready to bring my full potential and experience to your team.

Sincerely,
Román Ríos
