**Software Developer and
Visual Communication Designer**

Santa Fe, February 2025

Hello, I'm Román!

👨‍💻 Software Developer and Visual Communication Designer with a specialization in Web Development and Multimedia Design.

🎓 I completed my degree at FADU of the National University of Litoral, with supplementary studies in Web Development and Programming. I am currently pursuing a Higher Technical Degree in Software Development, strengthening my professional profile.

💼 I work as an intern at the Ministry of Labor, Employment, and Social Security of the Province of Santa Fe, and also lead projects as a freelance professional in the area of Game Design and Development.

⚙️ My professional approach is based on proactivity, teamwork, effective communication, and adaptability, with a constant commitment to training to face challenges and achieve goals.

🚀 Ready to bring all my potential and experience to new projects. Let's connect!

Sincerely,
Román Ríos
